

The Friends of Vallajeelt School 100 Club
Application Form

To request to join the Friends of Vallajeelt School 100 Club please complete this application form. On receipt of your application form, you will be emailed a unique payment link so you can securely pay your membership fee.

- ♣ Membership numbers cost £1 per draw and your unique payment link will be tailored to take into account how many draws are left for the school year (eg. Membership fee before draw one totals £10 whereas membership fee due for an application received after draw 4 and before draw 5 totals £6).
- ♣ The membership fee buys you one membership number (allocated by the Friends of Vallajeelt School), which enters you into the monthly draw. Draws will take place in school on the first Monday of each month, excluding August and September, with a total of 10 draws being held every school year. Where school is not open on the first Monday of the month, the draw will take place on the next available school day.
- ♣ All participants must be over 16 years old.
- ♣ There will be 3 cash prizes available from every draw. First prize equals 25% of draw income, second prize equals 15% of draw income and third prize equals 10% of draw income. The remaining 50% of draw income is retained by Friends of Vallajeelt School to help fund Scoill Vallajeelt as stated in the charity objectives.
- ♣ There is no minimum membership period and members will be included in the next draw after their payment has been received.

Participants can increase their odds of winning by subscribing more than once (e.g. double your chances by having 2 numbers for £2 per draw).

By entering you declare that you have read and accept the rules of the Friends of Vallajeelt School 100 Club which include details of how members' personal data will be used.
